## Chairman's Message

We are nearing the end of the year, looking for new rays of hopes to get rid of the wreckage of this present pandemic situation. We are hearing some good news about vaccines that are being invented/ developed by leading Pharma companies and will be coming for public use in another 2 or 3 months. Let's all hope for returning to normalcy in the year 2021 free from COVID19.

As you all know that our SCB is heading for Silver Jubilee celebrations in the year 2021 and many of you would have attended our Zoom meeting held on 14th October for the commemoration of Observance of World Elders Day and Inauguration of our Silver Jubilee Celebrations. As such we have already started the process of Planning and Execution for the celebration of our Silver Jubilee in a grand manner. I would personally like to appeal to our members to actively participate in all the programs and

events which we are planning to organize in a phased manner as part of our Silver Jubilee Celebrations and ultimately the Silver Jubilee Celebrations which is proposed to be held in the month of October 2021 with much grandeur and funfair.

We are confident that with the wholehearted support and cooperation of all members We will ensure that our Silver Jubilee is Celebrated as a magnificent event to be written in Golden letters in the annals of our Senior Citizens Bureau.

I am happy to inform you that this Newsletter will reach your hands once in three months (Quarterly ) with all information highlighting the action programs and the developments in the execution of planning towards Silver Jubilee Celebrations and the members may feel free to give their valuable suggestions for improvements.

With regards,

**T.V. Nagarajan**
