ISSUE : 3

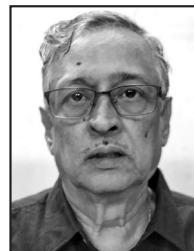

*Happy
Independence
Day*

Chairman's Message

At the outset, let me take the pleasure of extending my greetings and good wishes. It gives me immense happiness to be in touch with all of you through this SCB NEWS.

It seems that we are not yet relieved from the clutches of the Pandemic as We are of late witnessing a surge of new Covid19 cases. We have to be very careful and continue to follow all precautionary and preventive measures to keep us safe from the Pandemic. I fervently hope that all our members and their families would have got vaccinated including Booster dose that will help us to a larger extent from

the Covid19 virus. Here We should thank the Central and state governments for their intensive Vaccination drive, resulting to the restoration of normalcy and lifting of lockdown.

We have started conducting physical meetings in line with our other fraternal associates and the first such physical meeting was conducted in December 2021 to Felicitate our Past Chairman Padmashri DR.V.S.NATARAJAN,

Senior Geriatrician at Thakkar Baba Higher Secondary school Auditorium, T.Nagar where in our members have attended in large numbers and the function was successful and appreciated by all. During the year 2022 We have conducted two physical functions of which one was held on 20th April 2022 at Thiru Vi.Ka Higher Secondary school, Shenoy Nagar to celebrate THAMIZH NEW YEAR and World Women's Day where in We have honored sixteen Women teachers of the school with gifts and thanked all the women folk for their contributions to the society. Brigadier K.Muthulakshmi, our Senior member addressed the participants and distributed the prizes to the winners of the competitions. Second physical meeting was held on 1st July 2022 at Dr.BMS Higher Secondary school to mark the commemoration of World Elders Abuse Awareness Day and International day of Yoga. Kalaimamani Ervadi S.Radhakrishnan Editor Kavithai Uravu had participated as Chief Guest. All these programs were well appreciated by all concerned. Here I would like to express my concern that of late attendance from our members is not as expected and we understand that this may be due the fear of the Pandemic, members are little hesitant to attend open meetings. However we are hopeful and confident that the position will improve and our members will enthusiastically attend in large numbers in future.

During this Quarter, there were two very important International days viz World Elders Abuse Awareness Day and International day of Yoga being observed all over the world.

We, as per our Vision and Mission, have been conducting functions for observance of all International days which have significant impact on the welfare of Senior citizens.

This issue of SCB NEWS is dedicated to 75th year of Independence Day of India or

Azadi Ka Amrit Mahotsav. It is an upcoming event in which 76th Independence Day of India to be celebrated on 15th August 2022. Independence Day is marked by a strong sense of patriotism and nationalism across the country. Our main goal is to educate our younger generation about the pride and courage of our great valiant freedom fighters who have fought for our freedom. The necessity for the youth Awareness arises from the fact that the nation's future rests on the youngsters and their power to influence the country. On this day we pay our Homage and Tribute to all our prominent leaders who have heroically fought for our country's freedom.

We are glad to inform our members that the Valedictory Function of our Silver Jubilee Celebrations will be conducted in October 2022 coinciding with World Elders Day and in co ordination with the NSS of Ethiraj College for Women, Chennai. We have already started to attend the preliminary arrangements for the Valedictory Function and the preparation of Souvenir for releasing at the function. In this connection We would like to draw your kind attention to our Letter of appeal made to members for their contributions/Donations for the Silver Jubilee Celebrations. We are happy to note that contributions from our members have started pouring in and We are confident that others will also follow so that We can conduct our Valedictory function of our Silver Jubilee Celebrations in a grand befitting manner as planned. We once again appeal to members to send their contributions early so as to enable us to plan/chalk out our programmes accordingly. Ultimately our goal is to celebrate our Silver Jubilee Celebrations in a much fervor and grandeur.

With regards,
T.V. NAGARAJAN
